Dear Atty. Yap:

We would like to inform you that due to the challenges posed by the COVID-19 pandemic, the deadline for submission of applications to the 2020 DOT Foreign Tourism Service Examinations (FTSE) is extended until 31 August 2020 (Monday).

The DOT is looking for Tourism Attaches (TA) and Foreign Tourism Officers (FTO) that will be assigned in various posts all over the world. In this regard, we would appreciate if you could share this information to your members who may be interested in working with the DOT in promoting the Philippines to our foreign markets.

Interested applicants may e-mail dot.overseasapplication@tourism.gov.ph for queries and clarifications. Also attached is the FTSE ad in which you may find the Qualification Standards (QS) and documentary requirements for the TA and FTO positions.

Thank you very much.

Sincerely,
